

Day Worker Center Plant Adoption Program for Our New Facility

Please volunteer to adopt one or more of the plants pictured below and help us make our new Center a beautiful part of the community. Please email your order to Victor (Maria's new assistant) at victor@dayworkercentermv.org and bring a check to the Planting Party on Sept 23rd at 4:30pm at 113 Escuela in Mountain View (our new home). Or you can mail it to us or pay by credit card using the [Donations page](#) on our website (please include a comment explaining which plants you are sponsoring). Contact Victor for help arranging payment. We hope you'll attend the planting event and enjoy planting at least one of the plants you sponsor.
