# VOLUNTEER SPOTLIGHT

## Meet Ryan!

### VOLUNTEER AREAS:

Ryan has been creating video content for the Day Worker Center, developing educational and marketing videos.

### WHY DID YOU WANT TO VOLUNTEER AT THE CENTER?

*I've been creating promotional videos for local businesses and community organizations in the area for the last several years, and I was looking for organizations where I could leverage my Spanish skills. I thought the Day Worker Center could be a great fit as I love being a storyteller, and I wanted to give something back to an organization that has so many important and diverse stories to tell.*

### WHAT HAS VOLUNTEERING AT THE CENTER MEANT TO YOU?

*I've enjoyed it. The people I've interacted with are kind and smart, they always help guide me through the expectations of the project we're working on, and they've helped me gain insight into the behind-the-scenes work that goes on at the Center.*

### ARE THERE ANY SPECIFIC MEMORIES YOU HAVE?

*One of my favorite memories is videoing the 25th Anniversary Celebration for the Center. I loved seeing all the Mountain View community members dancing, eating, and enjoying the festivities at the celebration, and was glad to be able to capture the excitement and show off the work the Day Worker Center has accomplished over its history.*
