

VOLUNTEER SPOTLIGHT

MEET SERGIO!

Did you recently receive an email from the Center about our 25th anniversary celebration?

We would like you to meet the person who has supported the Center sending out email "blasts!"

Sergio has been a volunteer at the Center since 2009 and he is an important member of the Day Worker Center team, as he does a lot of "behind the scenes work." Sergio has helped with various computer initiatives, primarily with the Center's Cloud Based Salesforce Nonprofit Edition. This platform allows us to manage contacts, fundraising contributions and sending email "blasts." With Sergio's help we are able to send emails from time to time with important information about the Center, like for our anniversary celebrations!

VOLUNTEER SINCE 2009

LEARN MORE ABOUT SERGIO'S VOLUNTEER EXPERIENCE:

WHY DID YOU WANT TO VOLUNTEER AT THE CENTER?

This was the period where the Day Worker Center was attempting to acquire and renovate 113 Escuela Ave. as it's permanent home. There had been some pushback from local residents and I felt that the incredible mission of the Day Worker Center warranted support. As a software engineer, I felt I could offer some unique skills to help that mission. My friend and fellow software engineer, Steve Hoogheem, was similarly inclined and we had fun working on software classes and various projects together over the years

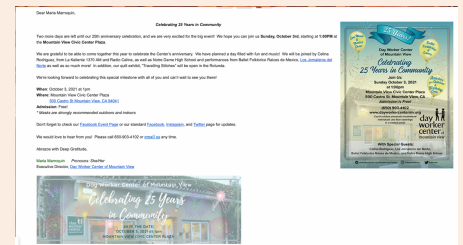

Sergio with Alice y Panko.

WHAT HAS VOLUNTEERING AT THE CENTER MEANT TO YOU?

It has been a huge pleasure working with so many talented individuals! It has also been a pleasure getting to know Day Workers who I have utilized over the years for help with home projects.

ARE THERE ANY SPECIFIC MEMORIES YOU HAVE?

We were very deliberate in our planning meetings with Maria, Kathie (volunteer at the Center), and Craig (former board member) with respect to what technology to use and how to use it. That required quite a few sessions using the Mountain View Library Meeting Rooms or my home on Sundays - all fun and productive!

Email sent by Sergio for our 25th anniversary celebration.

THANK YOU SERGIO!
